Dear Brethren

It is with great sadness in my heart that I have watched the turn of events through my brother, Friedel Stegen, in the European and Australian Kwasizabantu Mission congregations.

When the Lord opened the doors for us to bring the gospel to Europe 45 years ago (1974), I never would have dreamt that it would end in this way.

All these years, it has been our hearts desire that the Lord would create in you the unity, which He gave us through the revival in South Africa. Here in South Africa, the Lord is still working in the power of revival, and the devil has failed to destroy our unity.

My heart breaks, that you, who at first received the message of revival with joy, now break away from me so lightly. I never thought that such a thing could be possible while I am still alive.

I thank God that even though there are only a few, they are willing to pay the price for the life that comes from the message of the revival. My prayer is that they go forward with fiery zeal and remain faithful to the Lord to the end.

The Lord be with you.

In His love

  
Erlo Stegen
